Watches for men, women, boys, and girls-plenty of variety in models, cases, movements, and designs.

Every Watch has been tested by our own watchmaker, and no watch is offered that is not now perfect and in condition to render the service one expects of a timepiece.

The movements of every Watch are nonmagnetic, and thus they may be used by any one, at any time and in any place. We will keep any watch in repair for one year, provided the trouble comes from ordinary use.

You will note that we have not placed any greater value on the watches than the present prices-but every watch is marked much lower than these qualities usually sell for.
